海南人和餐饮业 THE HAINANESE CULINARY CULTURE

早期海南人来到新加坡，多数从事餐饮业-担任厨师，餐厅服务员或富裕家庭的帮手等。在农历新年吃团圆饭时，海南人餐桌上少不了白斩鸡因为，“鸡”听起来像“吉”，所以带有“吉祥之意”。

Early Hainanese settlers worked in kitchens, acquiring a wealth of knowledge and experience they infuse into their cuisine. One of these dishes - the humble steamed chicken, was a staple during the Lunar New Year. The Chinese word chicken, pronounced as “ji”, is a homophone for prosperity, and that’s why it was such a welcomed dish at reunion dinners.
